REPRESENTATION WITH AN EDGE

Domnitz & Skemp, S.C., is a boutique firm devoted exclusively to litigation, championing the rights of people who have been harmed by the negligence of others.

Their zealous representation and passion for justice has made them a trusted resource for other attorneys, who refer their clients with confidence.

Merrick R. Domnitz, Anthony J. Skemp and Ann S. Jacobs all have been named to the *Super Lawyers*[®] list. Domnitz is also on the Top 10 Wisconsin and Top 25 Milwaukee lists; Jacobs is on the Top 50 Wisconsin, Top 25 Women and Top 25 Milwaukee lists. The latest proud addition to the firm is associate attorney Noah Domnitz, son of the firm's founding partner.

In addition to providing zealous representation to each client, the firm is well known for its dedication to the preservation and promotion of the civil justice system through its involvement with organizations dedicated to that cause. Merrick R. Domnitz is a past president of the Wisconsin Association for Justice, where Anthony J. Skemp serves on the board of directors, Ann S. Jacobs is on the board of directors and serves as an officer, and Noah D. Domnitz is chair-elect of the Young Lawyers Division (2013). In addition Merrick R. Domnitz is a fellow of the

International Society of Barristers, the American College of Trial Lawyers and the American Board of Trial Advocacy.

The firm takes on matters involving accidents, injuries, wrongful death, medical malpractice, nursing home neglect and abuse, as well as bad faith and insurance disputes. Verdicts and settlements include \$10.5 million in a medical malpractice case, \$3.5 million in an insurance bad faith suit, and \$4.2 million in a suit involving securities misrepresentation.

But the attorneys of Domnitz & Skemp don't focus exclusively on highly complex, multi-million dollar suits. Clients with smaller and more routine cases can expect the same meticulous preparation and attention to detail that is a hallmark of the firm—because justice is the right of all people.
